POLICE OFFICER ENTRY LEVEL

FITNESS ABILITY TEST STANDARDS

Law enforcement officers have unique job functions, some of which can be physically demanding and dangerous. An officer's capability to perform those functions can affect personal and public safety. Training for the required skills is often more vigorous and demanding than the day-to-day job functions that the officer faces. Physical fitness underlies an officer's ability to perform many of the frequent and critical job tasks as well as the demanded training of skills. The minimum fitness standards identified below, are the requisite levels for an officer to effectively learn the frequent and critical job motor skills. The requirements are below, failing to complete any portion of this standard will be considered a fail and result in removal from the hiring process:

3. Push-Ups
4. 1.5-Mile Run/Walk
