Section 1 - PURPOSE: This Ordinance provides an assessment and process for the collection of a Surcharge that will be added to all new construction building permits. The fee collected will be payable to the Public Safety Departments and Companies of the Town of Cheswold including and not exclusive of the Town of Cheswold Police Department and the Cheswold Volunteer Fire Company, Station 43 in order to promote and protect the public safety, health, convenience and general welfare of the residents of the Town of Cheswold and/or neighboring communities when required.

Section 2 - AUTHORITY to ACT:

- 2.2 Section 4.2.48**, authorizes the Town Council to make, adopt, and establish, alter and amend all such Ordinances, Regulations, Rules and By-Laws not contrary to the laws of this State and the United States as the Town Council may deem necessary to carry into effect any of the provisions of this Charter or any other law of the State relating generally to municipal corporations or which they may deem proper and necessary for the order, protection and good government of the Town.

Section 3 – FEE ASSESSMENTS:

The Town of Cheswold shall add a surcharge of 0.3% (percent) to every new residential and commercial construction building permit issued by the Town of Cheswold. This Surcharge will be based on new building construction cost and will be collected and placed in a reserve fund, payable to the Town of Cheswold Public Safety Fund, for the purchase of planned capital equipment and/or facilities needed to support the present and planned future growth of the Town of Cheswold. The Surcharge will not be applicable to such items as modifications, decks, sheds, demolitions, fences, etc.

4.2 The written request must include the desired amount and a description of intended use of the funds. It must also be signed by the Chief or Commanding Officer.

4.3 The Secretary/Treasurer shall review the written request for completeness and determine if the requested fund amount is available for distribution.

4.4 If the requested fund amount is not available the Secretary/Treasurer shall return such notice to the Chief or Commanding Officer.

4.5 If the requested fund amount is available and the written request is complete the Secretary/Treasurer shall sign the request indicating that the amount is available and the request is complete.

4.6 The Secretary/Treasurer shall forward a copy of the written request to the Mayor and members of the Town of Council for review, discussion and a vote on the approval at the next regular scheduled Town Council month meeting.
