Subject: Notification of Business License Fee Adjustment

To Whom it may concern,

On behalf of the Town of Cheswold, I want to express our sincerest appreciation for your continued partnership and contributions to our community. Your business plays an essential role in supporting our local economy and enhancing the quality of life in our Town.

As part of our ongoing efforts to maintain and improve the services we provide, we have reviewed our current business license fee structure. In doing so, we found that our fees are below the standard practices of similarly situated Towns and Municipalities. To align these practices and support the growth and sustainability of our local economy, we are planning to implement an adjustment to our business license fees.

This adjustment will ensure we can continue to provide the necessary resources and infrastructure that make Cheswold an excellent place for businesses like yours to thrive. We want to assure you that this decision was made with careful consideration and is aimed at maintaining fairness and consistency.

We understand that changes can bring questions, and we are committed to keeping the process as transparent and smooth as possible. Please feel free to reach out to Sarah Cahall 302-734-6991 or [sarah.cahall@townofcheswold.org](mailto:sarah.cahall@townofcheswold.org) if you have any questions or require further information.

Thank you for your understanding and for being an integral part of the Cheswold business community. We deeply value your contributions and look forward to continuing our partnership in the years to come.

Warm regards,

*Sarah Cahall*
